

Request for proposals No: DPLP- 611308

"Supply of Low Sulfur Heavy Fuel Oil o PPC"

AMENDMENT No 1

"By force of this **Amendment No 1** to **Request for Proposals DPLP-611308** for the Supply of Low Sulfur Heavy Fuel Oil to PPC:

a. Paragraph 5.2 of the Document-3 under "**Alternative 1: Open credit**" is amended as follows:

5.2. Copies of the following documents are to be sent to PPC either by e-mail to the contact persons to be made known to the Seller upon awarding of the contract, or by regular mail to PPC's offices (22 Chalkokondyli Street, 104 32 Athens, GREECE) not later than seven (7) Greek business days prior to the payment due date:

- 1) Seller's commercial invoice based on the outturn quantity received in shore tank(s) and clearly showing:
 - The NOR date at discharge port
 - The first day of the delivery window, as defined in paragraph 6.1.2 herein.
 - The Contractual Delivery Date, according to paragraph 4.2 above.
- 2) Bills of Lading.
- 3) Certificate of quantity issued at discharge port by the independent inspector jointly appointed by the Parties.
- 4) Certificate of quality at discharge port issued or countersigned by the independent inspector jointly appointed by the Parties.
- 5) Certificate of origin issued by competent authority at the loading port or the place of origin of the fuel.

b. Paragraph 12.4 of the Document-3 is amended as follows:

12.4. If the vessel arrives after the last day of the agreed arrival date range (laycan) laytime shall commence Berth or no Berth 36 (thirty six) hours after NOR is given or at the time discharge commences, whichever is the earlier. If the NOR+36 hours time is at the latest one hour before sunset, laytime time shall commence at 6:00 a.m. of the following day.

All other terms of Inquiry DPLP-611308 remain in full force."
