➤ the present Request for Quotation

hereby invites interested Candidates to submit their quotations for **POPD-1922 “Provision of Support and Maintenance services, including spare parts for Internal Combustion Engines and Turbochargers, installed on islands”**. Participants in this process will be required to submit a signed NDA type confidentiality document, along with their Quotation.

**Call For Expression Of Interest**

All files will be provided through the online platform cosmoONE provided from “CompareOne” company which can be accessed from [www.cosmo-one.gr/en/](http://www.cosmo-one.gr/en/) or [www.marketsite.gr](http://www.marketsite.gr). CosmoONE platform will be used also for all manufacturers’ communication and submission of response files during the Call For Expression Of Interest process. Manufacturers’ registration to the platform does not entail any cost to the participants.

As a prerequisite for ensuring the possibility of participation of the interested parties is the registration to the CosmoONE platform. Upon successful registration, manufacturers will be provided with the System Access Codes for their login in order to upload and/or download any relevant files through the platform.

Responses are submitted electronically by interested parties with a starting date of submission of **31<sup>th</sup> January 2024** and a closing date and time of **7<sup>th</sup> March 2024 12:00 Greece time**.

After the above deadline, no further submissions will be accepted.
