Tender Clarifications for DKYOR-177

Regarding clarifications requested, we have to mention the following:

A. SUPPORTING DOCUMENTS OF THE TENDERERS

According to issue 2, article 8, par. 6 of the Declaration, all documents mentioned in issue 2, article 6 par. 2.4 shall be submitted within 20 days from the invitation date of the lowest bidder.

If the validity period of a supporting document is not mentioned, the document shall be considered valid if its issuing date is within six months before the submission date of the document.

B. SUPPORTING DOCUMENTS OF THIRD PARTIES

Third Parties should submit the supporting documents with the procedure mentioned in the above paragraph.

C. Regarding VAX TAX, we confirm that PPC will be charged with the amount of VAT corresponding each invoice. Please note that if a foreign Company undertakes to carry out a technical project, it must acquire a permanent establishment in Greece if the Project lasts more than six (6) months (12 months in accordance with the bilateral agreement between Greece and China).

D. It is clarified that: "An extension of the Participation Letter of Guarantee beyond 12 months of the Offers Submission Date (15.03.2018), requires the written consent of the Bank".

E. The wording of the Participation Letter of Guarantee cannot be modified and should be exactly the one mentioned in the specimen.

F. Third Party proof of experience of similar constructions shall be proved by the submission of corresponding "Customers Reference Letters", accompanying the submitted with the Offer "Project Reference List".

G. Certificates proving technical ability (ISO, EN, etc.) can be submitted in English without the need of translation in Greek.
