

## ANNOUNCEMENT

### Market Consultation Invitation - Request for Information (RFI) No. NGAPD 3002 for a Combined Cycle Gas Turbine Plant (CCGT)

1. Public Power Corporation S.A. (PPC S.A.), located at 30 Chalkokondyli Street, Athens ([www.ppcgroup.com](http://www.ppcgroup.com)), invites participation in the RFI (Request for Information) No. NGAPD-3002 for a Combined Cycle Gas Turbine Plant (CCGT), in accordance with the provisions of the PPC Regulation for Projects, Supplies and Services (KEPY) (Board of Directors' Decision No. 4/09.02.2022), which is published on the official PPC website at <https://eprocurement.dei.gr>. Participants in the RFI procedure are required to submit their proposals, along with a signed Non-Disclosure Agreement (NDA) document.  
Proposal submission and access to the relevant RFI documentation will be carried out through the "compareONE" platform of the company cosmoONE, part of PPC's Electronic Contracting System, hereinafter referred to as the System, via the electronic addresses [www.cosmo-one.gr](http://www.cosmo-one.gr) or [www.marketsite.gr](http://www.marketsite.gr).  
Registration is free of charge for interested parties.  
A prerequisite for participation is registration in the System. Upon successful registration, participants will receive the access credentials necessary for logging into the System and submitting their proposals.  
Responses (proposals and signed NDA) must be submitted electronically by interested parties. The submission start date is 15.10.2025 and the deadline for submission is 27.10.2025 at 16:00 p.m. (Greek time). After this deadline, submission of responses will no longer be possible.
2. Information regarding the participation process can be obtained from Lydia Tsiaousi via email at [l.tsiaousi@ppcgroup.com](mailto:l.tsiaousi@ppcgroup.com) (phone: +30 2105292630).
3. Any clarification requests will be submitted electronically by the registered suppliers in the CosmoONE platform who have been granted the relevant credentials (username and password).
